### 3 PACKAGE YOUR PARCEL READY FOR RETURN

Please ensure your garments are returned within 30 days of receipt—unworn, in perfect condition, with their original labels attached and in their original outer packaging.

Whenever possible, please re-use the mailing bag or box your order arrived in to return your item. It's a simple way to reduce waste and help us care for the environment.

To enable swift processing of your return or exchange, **PLEASE INCLUDE THIS INVOICE IN YOUR PARCEL.**

Please ensure the parcel is securely sealed with strong tape. **DO NOT** use staples as they may damage the garments inside.

Attach your returns label to your package and complete the return within 5-10 days.

You will be given a receipt with a tracking number. **Please keep this safe until your return/exchange has been processed.**

**EXCHANGES** If the replacement garment is in stock, dispatch will normally be within 7 to 8 working days from return receipt. Please allow 4 additional days for requested alterations. If your exchange order EXCEEDS the value of the items returned, we will issue a refund and contact you to process your exchange as a new order (no additional postage charged). If the requested item is out of stock, it will be sent out to you as soon as we receive more stock.

**REFUNDS** It can take up to 7 working days from the day we receive the item to process your refund. Refunds are made via the original payment method.

**NON-UK RETURNS** Please note, you are liable for the cost of postage, please visit our website for further information.
